Chamomile

Sunny golden in colour, Chamomile pollen heads give this tea its uniquely subtle taste with delicate floral hints.

Darjeeling

A light golden black tea from the foothills of the Himalayas, this tea has a delicate and unique character likened to the Muscatel grape.

Earl Grey

A light tea, pale gold in colour with the delicate yet distinctive flavour of the citrus fruit bergamot.

Peppermint

The high essential oil content of the peppermint leaves gives this tea it's comforting and refreshing taste.

Cranberry & Raspberry

This tea is ideal for when your senses need a lift, the fruits are expertly blended to create a refreshing combination.

Lemon & Ginger

A warming infusion where the spiciness of the ginger is balanced with the cleansing zesty taste of lemon.
