2019 Society Golf at Heacham Manor:

Opened in May 2009, this American links style course has been created over an area of important landscape quality and is available for groups and societies with advanced bookings.

At over 6,000 yards from the yellow tees and with the best greens in the area, the golf course provides not only an excellent test of your skill, but is also the perfect location for a round of golf, surrounded by stunning scenery.

The natural features of the Heacham and Ringstead Rivers run through the course and the design maximises these to the full potential, the rivers being an integral part of 6 holes. As well as the rivers the course contains 4 lakes, the largest of which provides the setting for the 'signature hole' par 3, 7th. This hole demands a well struck tee shot to carry the lake to a guarded green.

Superb Facilities:

The Avocet Bar is open full time and offers a warm welcome to all groups, serving light snacks and refreshments and providing golfers with a relaxing area after playing.

Personal Service:

We offer a variety of Group and Society golf days that can be tailored to suit your requirements.

- A competition event organiser can be available for helping with score cards.
